

Acesonic® KOD-3000

Blu-ray Disc™ Dual Hard Drive Karaoke Jukebox

**Easy song search
through your iPad or tablets**

Supports iPad®
and Android® Tablets.
Not included.

Complete Solutions for the Next Generation in Karaoke Platform

Blu-ray Disc™ playback delivers exceptional Full HD 1080p video resolution.

Internet access allows you to download additional song contents for your karaoke library.

Upscaling delivers exceptional image quality from standard DVDs with up to 1080p via HDMI output.

Multi-format feature supports all types of karaoke and video formats CD+G, MP3G, MP3, MKV, MPEG1/2/4, WMV, RMVB, AVI and more!

Smart search by song number, name, artist or by category.

Media Center allows you to enjoy your family photos, videos or simply listen to your favorite tunes.

Use your iPad® or Android tablets as a fully functional remote control or for song search features! Connect up to 250 devices at the same time.

Capacity to support up to 2x 2TB hard drives and unlimited song capacity expansion via attached network drive.

Disc Capturing capability ables you to transfer your favorite CD, CD+G, VCD, or DVD discs directly from the disc tray to the hard drive.

Supports Unicode up to 20 different languages.
